Privacy Policy for MixrPro Apps. Effective Date: 14th October 2025

1. Introduction: At SW Agronomy, we value your privacy. The MixrPro apps are designed to provide fertiliser blend calculations without collecting, storing, or sharing any personal data. This Privacy Policy outlines how your information is handled when you use our app.

2. We collect

MixrPro collects email addresses so that we can contact you with the availability of product upgrades only.

3. Information We Do Not Collect

We do not collect, store, or process any of the following:

- Personally identifiable information (PII)
- Phone numbers
- Names or contact details
- Location data
- Photos, media, or files from your device
- App usage analytics
- Device or advertising identifiers

3. Data Usage

All calculations and data inputs are handled locally on your device. No information is transmitted to external servers or third parties. We do not use cookies, tracking tools, or analytics services.

4. Children's Privacy

MixrPro is not intended for use by children under the age of 13. As we do not collect any data, no personal information is knowingly collected from children.

5. Third-Party Services

MixrPro does not use third-party SDKs or plugins that access or collect personal data.
